With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2021 do not exceed Fiscal Year 2020 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2020 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2020 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at

the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2020 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Funds are provided herein for all full-time employees to receive up to a Three Percent (3%) pay increase to the realignment component of the Variable Compensation Plan, excluding head of agencies, board members and commission members.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 4. In compliance with the "Mississippi Performance Budget and Strategic Planning Act of 1994," it is the intent of the Legislature that the funds provided herein shall be utilized in the most efficient and effective manner possible to achieve the intended mission of this agency. Such utilities shall include electricity, natural gas, butane, propane and cable services. Where actual cost cannot be determined, the agency shall be required to provide meters to be in compliance with legislative intent. Such state-furnished housing shall include single-family and multifamily residences but shall not include any dormitory residences. Allowances for such utilities shall be prohibited.

SECTION 6. Of the funds appropriated in Sections 1 and 2, and authorized for expenditure in Section 3, payment may be authorized for court-ordered attorney fees and any accrued

interest subject to the approval of the Office of the Attorney General.

SECTION 7. None of the money herein appropriated shall be paid to any person who by the provision of Section 47-5-47, Mississippi Code of 1972, as amended, is prohibited from being an employee of the Mississippi Department of Corrections. The State Department of Finance and Administration shall at least annually make a report to the Joint Legislative Committee on Performance Evaluation and Expenditure Review and to the Attorney General stating the name of any person prohibited under the provisions of Section 47-5-47, Mississippi Code of 1972, as amended, from being an employee of the Mississippi Department of Corrections who has during the preceding year received any money herein appropriated. In the event that any such person prohibited as hereinabove provided from receiving funds herein appropriated should receive any of said funds, the Attorney General shall immediately commence action to recover the monies so paid to said person and to enjoin the further employment of said person at the Mississippi Department of Corrections.

SECTION 8. It is the intent of the Legislature that all prisoners at Parchman shall work a minimum of eight (8) hours per day, excluding prisoners with a physical disability or those incarcerated in maximum security.

SECTION 9. It is the intention of the Legislature that the per diem rates paid to regional facilities shall not exceed

Twenty-nine Dollars and Seventy-four Cents (\$29.74) per inmate. All regional facilities shall continue to receive the annual three percent (3%) increase in the per diem rate as authorized in Section 47-5-933, Mississippi Code of 1972, however, in no event shall any regional facility's per diem rate exceed Twenty-nine Dollars and Seventy-four Cents (\$29.74) per inmate.

SECTION 10. The department or its contracted medical provider will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the absence of a negotiated discounted fee schedule, medical care service providers will be paid by the department or its contracted medical service provider an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications provided to any and all incarcerated persons outside of the correctional or detention facility. None of the monies appropriated herein may be used to pay for cosmetic medical procedures for any prisoner. Cosmetic medical procedure means any medical procedure performed in order to change an individual's appearance without significantly serving to prevent or treat illness or disease or to promote proper functioning of the body.

SECTION 11. It is the intention of the Legislature that the Commissioner of the Mississippi Department of Corrections shall have the authority to transfer cash from one special fund treasury fund to another special fund treasury fund under the control of the Department of Corrections. The purpose of this authority is to more efficiently use available cash reserves. It is further the intention of the Legislature that the Department of Corrections shall submit written justification for the transfer to the Legislative Budget Office and the Department of Finance and Administration on or before the fifteenth of the month prior to the effective date of the transfer.

SECTION 13. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price,

SECTION 14. It is the intention of the Legislature that all funds held by the Inmate Welfare Fund be placed in a treasury fund effective July 1, 2019. Of the amounts appropriated in Section 2, an amount not exceeding Three Million Dollars (\$3,000,000.00) shall be available for expenditure in the Inmate Welfare Fund.

SECTION 15. It is the intention of the Legislature that the Mississippi Department of Corrections shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2019. In so doing, the commissioner of the department shall have the authority to amend, extend and/or renew the term of any lease agreement or any inmate housing agreement in connection with a correctional facility. Notwithstanding any statutory limits to

the contrary, such amendment, extension and/or renewal may be for a length of time up to and including ten (10) years as is necessary for the continued operations of such facilities and implementation of the department's duties and responsibilities in accordance with Title 47 of the Mississippi Code of 1972, as amended.

SECTION 17. With the funds herein appropriated, it is the intent of the Legislature that upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay the reimbursement costs as provided for in Section 47-5-901(3)(b), Mississippi Code of 1972, as amended by House Bill No. 585, 2014 Regular Session.

SECTION 18. With the funds herein appropriated, it is the intent of the Legislature, that for Fiscal Year 2020, the Department of Corrections shall reimburse municipalities, up to Twenty Dollars (\$20.00) a day, for the cost incurred of housing inmates in any jail facility based on time served for the conviction of larceny, shoplifting, or related convictions where the value of the property taken is Five Hundred Dollars (\$500.00) or more but is equal to or less than One Thousand Dollars (\$1,000.00). A copy of the court abstract of record and the jail docket shall be provided to show the total number of days an individual was incarcerated in said jail facility. The reimbursement shall be payable back to the municipality upon

receipt of required documentation and an invoice. Total reimbursements resulting from this section shall not exceed One Hundred Twenty-five Thousand Dollars (\$125,000.00).
